Report from Fundraising

Gaming night update from Chris Shangraw – Due to the World Series it was the worst week to hold the event. We did receive the minimum amount of \$6000. We had 7 nights of coverage and 3 nights without.

Report from Fields	Bill McKinney
No Report – A discussion regarding who is going to keep the keys in the winter time, due to the water being turned off and there needing to be minimal use of the building so that nothing gets turned on that would hurt the system.	
Report from Concession	Kevin Federico
The end of the soccer season turned out to be not as good as first thought due to the weather and the lack of tournaments. Everything was binned up and put upstairs for storage.	
Looking for somewhere to store some of the items that cannot be frozen.	
There are a few issues that need to be addressed before baseball season. Doors need to be replaced and rekeyed so that they all match. Also, looking into getting a hood inside the stand so that we can use the fryolator and a grill for inside the stand that would make it more user friendly.	
Report from Equipment	
No report	
Report from Field Lighting	R.Monbleau/D. Kent
Dan has volunteered to head up getting the lighting situation running.	
Report from Soccer	Dan Ayotte/Russ Matthews
Umpire/Referee Schedulers – The schedulers come out of the sport budgets. It is up to the directors to find the person to do the job. During soccer the directors and treasurer are unhappy with the way things were handled this year.	
Season ended last Sunday. U15 tournament did not happen due to other towns bowing out before the tournament.	
Survey is up and running on the website. Good response so far. Nets are coming down. Goal areas need to be retreated before next fall. Volunteers went smoothly. Fundraiser situation was an issue.
