

# ELITE UK SOCCER CAMP

July 12<sup>th</sup> to July 16<sup>th</sup> MCAA Fields, North River Road, Milford

This is a fun instructional camp hosted in conjunction with the Milford Community Athletic Association. Campers aged 5-16 years old will be given technical instruction geared towards their own specific age/skill level whilst following daily topics.

The week will also contain plenty of soccer related activities and the daily 'World Cup scrimmages. This year the "World Cup" competition will have brand new additions to make this captivating camp feature even more exciting.

We aim to improve every player that attends our camp. The majority of our camp coaches are British and all have years of playing experience as well as youth soccer coaching to their credit. On the field during sessions the focus will be on the correct execution of technique by challenging players to improve their game individually whilst in a safe environment.

Campers will need to bring the correct soccer wear including cleats and soccer ball (soccer balls may also be purchased on camp). Each camper should bring a snack and Full Day campers should also come with a prepared lunch. Please ensure campers have enough water to last the entire day.
